

## Group resources really work!

This Group resource incorporates our R.E.A.L. approach to ministry. It reinforces a growing friendship with Jesus, encourages long-term learning, and results in life transformation, because it's

### Relational

Learner-to-learner interaction enhances learning and builds Christian friendships.

### Experiential

What learners experience through discussion and action sticks with them up to 9 times longer than what they simply hear or read.

### Applicable

The aim of Christian education is to equip learners to be both hearers and doers of God's Word.

### Learner-based

Learners understand and retain more when the learning process takes into consideration how they learn best.
